

ĀMAN RESORTS

5th July 2010

Mr Randall Currey,
Chief Executive Officer
Jervis Inlet Resort and Spa

Dear Randall,

Further to our recent correspondence and conversations, I am happy to confirm Amanresorts interest in managing the proposed hotel and villas at Jervis Inlet in British Columbia, Canada.

We recognise the site as having the natural beauty required for an Amanresort and are excited of this possible addition to the Amanresorts collection of hotels and resorts.

Best Regards

Adrian Zecha
Chairman
